### THE BREEZE FROM LOUESE

TELLING IT LIKE IT IS AND IS GOING TO BE

W6ISQ: Hello Louise. What do you want to tell your Miserable Machos (MMs) this month?

KA6ING: Hi Jack!

ISQ: Don't say that around an airport.

ING: They are not MMs. They are lovely folks who will step up to volunteer to help with the October 1992 CQP work.

ISQ: Oh, are we close to advance planning time for next fall's CQP?

ING: We gotta have the advance publicity announcements to the mags by July, then later we must send letters to all who were in CPQ last year.

ISQ: So we need a resolute macho to fill the breech and lead us onward into the CQP Oktober-Fest. Right?

ING: I know there really many, many good folk out there who want to help, but are too shy to ask.

ISQ: Maybe if they are too shy to call you they would call GARY or NIKI.

ING: Nice you should ask. They have a new number. Write it down now: 604-944-1232. They take turns baby-sitting the phone awaiting a call from intrepid MMs who would like to become world famous and receive lotsa mail in October.

ISQ: Someone will rise to the occasion. I hear AL, AD6E, has volunteered already to do scoring compilations. Right, Al?

ING: We also need an Awards Chairperson for NCCC. I was going to take over, but Larry and I will be the Registration folks for the '93 DX-Visalia thing, and can't do both. So, someone now has the opportunity to take over from our present, , dedicated Awards Person, BOB, N6EK.

ISQ: OK. We need an opportunity-minded volunteer to take care of plaques, certs, etc. Just call Louese, or, if you are too shy, call the above 604 number or N6EK. Is that all this month, Louese?

ING: Hold on, hold on. I have a lot of things to run past the Machos, errrr, MMs. Have you got a sharp pencil?

ISQ: Fire when ready, Gredl—, ahhh, Louese.

ING: Start with, do not forget to send in your vote for the by-law change.

ISQ: What by-law change?

ING: The one you put in the last *JUG*, Einstein. About the NCCC "family membership".

ISQ: Oh, that by-law change. The one with the vote slip on the penultimate page Feb. Yeeessss, well most of the MMs have already thrown away the *JUG* from last month. So if they have been thusly so foolish, they may write "yes" or "no" on a blank piece of paper and put it in a blank envelope. Then put that blank envelope into another envelope which has call and return address on outside. Send to Henry, KJ6LD, who is certified as being able to count to 100. He will tally the votes. For 29 cents the MMs can perform their democratic right and vote. What's next?

ING: Let's go fast. I've got a sensation that six meters is about to open up. Next for the MMs, the Annual Awards Banquet will be Saturday, 21 March at the Castaway. That is where we had our renown Xmas party. Send in the reservation form on that last inside page of this *JUG*. DO IT TODAY. It's always a big blowout, lots of fun, good food, no one should miss it.

ISQ: OK. Everybody will send reservations, with meal choice and check, to you on or before 14 March. We know EK-BOB is preparing outstanding awards, but is there anything else on the program?

ING: Great program! ELAINE, N6ZJM, whose photo you saw in the WPX results in the March CQ mag will talk about her forthcoming contexpedition, with husband Jim, to Dominica for the ARRL SSB. That talk will be from a YL point of view. Natch!

ISQ: What's different about the YL point of view from the OM point of view?

ING: You some kinda sexist er sumpin? There's a lot of difference. Come and find out.

ISQ: All us MMs will be there, cheering vociferously, coach. Next?

ING: If anyone out there expects to receive an award of any kind at the banquet, she/he should be there to get it, or arrange for a friend to pick it up. We do not mail awards no more, to no one.

ISQ: OK. If you want your loving cup, be there, or find a friend for the pick up. Next?

ING: The Southern Cal people running the Visalia DX convention are sending registration forms only to those who attended last year. If you didn't go last year, and want to go this year, you can make advanced registration, by sending your request to N6IC. Cost: \$45 before March 14, \$50 after. N6AA is in charge of the contest program.

ISQ: Maybe only those who bring along their portable desktops will be admitted.

ING: I guess! So Cal Contest Club will not pop for a party. Mr. JAMES B. NEIGER, ZD8Z, founder of NCCC, but now president of SCCC, told me on ten meters that NCCCs are party people, in total contrast to SCCCs. Also, SCCCs are notably cleanly and do not wish their hotel rooms trashed.

ISQ: You mean NCCCs are slobs who like to party. Can't believe Jim, out there on Ascension, would be so hard on us. He did group up all us NCCCs. I bet he has to say things like that because he's prexy of SCCC. Him not liking a party seems like as if he moved too far south and forgot his hat. Aw, he's just fooling.

ING: I dunno. I guess no party unless RICH, N6KT or maybe GARY, WA6VEF, pull off another last minute miracle and find a room and all the stuff for a party. What about KEN, K6PU? I'll bet he would build a good party.

ISQ: What's Visalia without a contest party?

ING: Yeah. Next. Oh yes, we gotta get ready for Field Day at K6ZM's. Please check in with WR6R or WB6MZQ. This is good family fun for NCCC family members. If the ballot passes.

ISQ: I gotta mow the lawn. Pick up the rate.

ING: Write on your calendar that the April 17 meeting will be in the new room at Miguel's. The usual BOD meeting at 6:12. Feed 7:03. It is election night. Prepare.

ISQ: Yeah, let's vote the bums out. Ooops, sorry. What else for your patient MMs?

ING: I talked to SCOTTY, AE6U, at V31VOA during the ARRL DX Contest. He asked me if I really said all the stuff you write down in these interviews.

ISQ: I'm sure you told him "yes", absolutely. After all, I record almost exactly what you say. Except I clean it up a bit.

ING: Guess that's about it. Tell my Miserables to please get in the ARRL SSB Contest.

ISQ: Please get in the ARRL SSB Contest.

ING: Oh, wait, wait. I want to thank KJ6LC and N6BT for a great evening of CQP contexpedition talk. They scared me. I'll never stop my car at night no more!

ISQ: Spooky! Think I'll get a Two Meter rig for the car. See ya Saturday, March 21. Bah.

ING: Bah.

## 1991 CQP SUMMARY

If it were not for the radio combatants outside of California, the world would not be blessed with a CQP. So all of us fortunates here in California, all of us at NCCC, say THANK YOU to you outside participating associates. You've made the 1991 CQP one of the best ever held in radio-contest land. And we want you to know who amongst our NCCC family made all the CQP fun possible.

We begin with mega-thanks to Gary and Niki, WA6VEF and VE7NKI, for publicising CQP, for inspecting, sorting, matching, organizing, and compiling all logs received for the CQP. It was a tremendous job involving a total of 409 logs. Proudly, and with no little awe, the print-out is presented directly from their hot Commodore. Accompanying comments quoted from participants were addressed to Gary and Niki. The short "notes" are direct from Canadian headquarters, Gary and Niki themselves. Full appreciation and admiration to you, both and each, from the Club and from all who participated, for super work.

A further round of applause of appreciation to, BRUCE BUTLER, W6OSP, and BOB FABRY, N6EK for their part in providing the rewards that make the chase worth the while. Bruce, aka Mgr. NCCC Wine Cellar, thoroughly researched (read: tasted) Napa Valley's best to find appropriate bouquets, bottled for the winners. EK-Bob executed the very important work of culling winners and overseeing the creation of the plaques for some of the winners. JIM, WA6SDM, printed the personalized wine bottle labels for the bottles, and also handled creation and printing of the certificates of achievement. ACE, N3AHA, was the fella who got all 58 CA counties on the air. Ace and his stalwart network of telephoners rallied everybody in CA to get on the air to provide contacts for the "out-of-staters."

These are the kind volunteers up with whom we would like to put. Yours are the jobs which make the contest prized (sic) and memorable. Many thanks.

### COMMENTARY FROM GLADIATORS

The 409 participants had lots to say about CQP, all of it enthusiastic. Perhaps the outstanding statement, certainly one that will be remembered is this: "Gary, you've always done a great job. I'll volunteer to take over next year." (AD6E). There it is, the Passing of the Torch. Thanks AD6E.

"Good contest." (WA6AUE). Thanks to Jim, WA6AUE, who did all the compilation last year. "My first CQP was back in '71 or '72." (N6GC). "CQP certainly worth the effort." (K2UFT). "Enjoyed the brief participation." (VE2EM). "You guys have the best non-major event of the year." (K7SS). "Just got the college station tribander up so thought we'd give it a try." (K4KDJ - Virginia Tech. Univ.). "Still the best party ever." (K4BZD). "Still my favorite national contest." (CQP con't Page 8)

## HE SEZ SHE SEZ

### GARY SEZ:

The 3000 QSO barrier is finally broken by N6IG!

Only 3 clean sweeps in CA: K6AAW, KA6SR (at N6VR), W6EEN. Every CA station which ended with 57 mults missed NWT/YUK. A record 13 out-of-staters captured all 58 CA counties.

NIHEO, out-of-state N/T, sets new N/T record and also new record for New Hampshire.

### NIKI SEZ:

N6TV's 1130 CW QSOs a new record.

Only M/M in CA is expedition by N6ZB.

Top mobile is N6GKY. Top multi-op expedition is N6ZB.

(CQP Con't from Page 3)

(WA1FCN). "Nice to see so many CW ops this time." (VE3KK). 15th consecutive; CQP." (WA5DTK). "Reasonable number of CA hams on CW. Most on SSB." (W9HE). Think I got my bottle of wine, my fourth." (W5ASP).

"No 10 M propagation from here." (K0PP). "Fun to have the 6—land gang have me chase them around the band for a change. Next year from Botswana (9L1US). "You guys show what a state QSO party can be." (K8HVT). "Great county coverage." (W5NR). You guys talked me into trying the CQP a little more seriously." (N5OLS). "Highlight: K6AAW on 21 MHz SSB at 59+." (G3IZJ). Man, is it tough to penetrate the QRM ;from out here." (ZS6BCR). My enjoyment was the sweep—all 58." (WA4PGM). Enroute Australia, "I'll set a record as possibly the only VK4 in CQP." (VE3BQL).

And some offer suggestions: "Best contest and most fun. BUT, too many two letter California stations...with...too much power. Clamp a lid on power." (W9CGJ). "Really did meet some fine operators." (VE1REC). Hate not to get in the CQP. Very addictive." (AA4NC). "Fantastic contest." (N8LXS). "Dear purveyors of CQP fun...best state party to hit the ham bands." (KC8FS). "I won't let business get in the way next year." (N5OVV). "Even got a new country, 9L1US." (W6IFC). "Highlight: worked ZA1QA on 15 CW." (AD6E).

## FLEDGLING OPS

For some ops, CQP was their first contest encounter. "This is the first contest I have worked since getting my license six weeks ago." (KD6AAK). "My first contest." (KC6RJB). I enjoyed this contest very much as this was my first one." (WB0PVN/6). "Our youngest participant was only 8 years old and got his no code tech license only a week before the contest." (AA6LM). "First CQP for me. Six new California counties." (DJ6WD). "First contest I ever really entered." (N1HEO). "First CQP submission. Hey K1EA or K8CC, how 'bout adding CQP to your software?" (KA9FOX at W9UP). NOTE: K1EA is now adapted to CQP). "My first QSO party." (F6IQX). "I wanted to work more CA stations but didn't have time." (DJ0MBG).

"It was my first contest. I've only been licensed a month." (KD4DIO). "First time in CQP. First time running CT for real time logging.." (N6XI). This is my third CQP. (YU7SF). My second year." (KB0FDQ). "I entered the California QSO Party as my first contest. I'm 13 years old and had great time. 73, Shannon Dew, KB0JKW. P.S. I am a boy."

## PROBLEMS

And there were some problems out there. "No low frequencies because our antenna was destroyed by the high winds and heavy waves. Had to tie everything

down including ourselves." (K6MO). "The wind blew a tent corner pole down and it smacked me on the head." (W6TUP/6). "We brought everything to Yuba county except the A.C.power and antennas." (W6BSY). "Shot of lightning took out my 40/80M vertical, and my wife being in an auto accident on Saturday night (she is ok) restricted my operation." (W0JTC).

## COMPUTER LOGGING

We were struck by the number of operators who wrote in about their use of computer logging. It would be a good idea if we offered some computer logging information before next October CQP. Could help a lot of ops. "This was my first time using computer contest logging. I should have practised." (K6DMN). The CQP software I was using did some strange things to my log. I should have practised more before." (N0DJJ/6). "Spent far more time on the logging that I did on the contest." (K6HY). "Back to pencil and paper." (N6GC). "Problem with computer program. Would anyone know of a program for our MacIIx?" (N6YBL). "I promise never to use the computer program again." (WA1FCN). "Next year I'll have a better logging program." (N5COP). "The first year I used computer logging and made two pilot errors." (NS6V).

## CHUCKLES

"My first bicycle mobile contact! N3ICN/M in Arkansas." (KJ6LD). "Every time I changed counties, someone would ask if I was headed to the county I just left." (WJ6Q/M). "May make a COORS expedition to Inyo next year." (NI6W). "At the last minute I read the rules on dupes." (W6FSJ). "Had my hearing checked before CQP...it drops off..and looks like a square wave. Wonder what my score would have been if I could have heard what was going on?" (W6TKV).

## SPONSORS

To those who so generously sponsored plaques: K4TKM, KA6ING, W6JTI, WJ6Q, KK6TE, N5OVV, Redwood Empire DX Association, and Palo Alto Amateur Radio Association, THANK YOU ALL.

SEE YOU NEXT OCTOBER.

73, Jack, W6ISQ

GARY SEZ: "It's obvious the computer age is upon us. Many, many computer logs received. K1EA CT supports the CQP!"

NIKI SEZ: "Lots of family participation in CQP--- Husband/wife teams, granddad/granddaughter teams (W6BSY), mother/daughter teams (KA6ING/NIKI), father/son teams (W7CB in SLO and son N6YKL in Yolo, each setting new county records).

GARY SEZ: "Top S/O county expedition is N6IP."

Respectfully submitted, Henry Stewart, KJ61.D,  
Secretary/Treasurer
